

Digital display

The multimedia kiosk is a fully customizable display and interaction solution

The multimedia kiosk is a fully customizable display and interaction solution designed to integrate a touchscreen or PC into a wide range of professional environments. Its full 20/10 steel sheet structure provides exceptional robustness and long-lasting durability. Access to connectors and internal components is greatly simplified thanks to a fully removable rear panel, while cable routing is discreetly handled from the inside for a clean and secure finish. Fully configurable, the kiosk's color can be defined at the time of order to match your brand identity perfectly.

Key Strengths

1. **Structure robuste** : La construction en tôle d'acier épaisse garantit une excellente résistance et une longue durée de vie, même en cas d'utilisation intensive.
2. **Hautement personnalisable** : Des couleurs à l'intégration de logos, en passant par une multitude d'accessoires, la borne est conçue pour être unique et répondre à vos besoins spécifiques.
3. **Présentation efficace et professionnelle** : Son design épuré et son ergonomie soignée en font un outil de communication ou de travail performant et valorisant.
4. **Maintenance aisée** : La paroi arrière démontable permet un accès simple et rapide à l'ensemble du matériel intégré, facilitant les interventions techniques.

Features

- **Material:** 20/10 steel sheet.
- **Screen mounting:** Compatible with VESA 75/100 standards or direct screen embedding.
- **Security:** A dedicated compartment can house a central processing unit (CPU) or power box, secured by a key lock or padlock.
- **Access and cabling:** Fully removable rear panel and internal cable routing.
- **Dimensions (W x D x H):** 460 × 550 × 1530 mm.

Options and Variants:

The kiosk is compatible with the full “Logistics” range of options, offering nearly endless customization possibilities:

- **Handling and mobility:** Various handle models, electric-assist wheels.
- **Supports and storage:** Shelves (fixed, pull-out, side, drawer), lectern, laptop stand, storage bins, document holder, waste bin.
- **Accessories:** Monitor arms, mounting plates, keyboard supports, barcode scanner holders, energy boxes (standard or modular).
- **Visual customization:** Wide choice of colors, enclosure panels (full, partial, front, rear), and the addition of your logo or custom stickers.
